2020 SFA Seminar Oct 1-3, Minneapolis, Minnesota

The Seminar is going to happen. Thanks for the great response from the survey. Get your registration and payment sent into the Secretary. We have room for 100 Nobles to attend the Seminar at the Hotel. For those who will not be attending please email the Secretary if you would like to participate online.

Are you coming to Minneapolis for this years Seminar

Greetings from west central Minnesota. I hope this finds all well, in good spirits and abiding to all the new rules that we have never seen before but are now a big part of our everyday life. Covid-19 has become a life changing epidemic that we must learn how to adjust our daily life because of this. As SHRINE FUNDRAISING ASSOCIATION plans its October 1-3 Seminar in Bloomington we will prevail to bring to this organization a learning seminar that we will all be proud of. On June 16 & 17 your Officers met at the host hotel for a planning session. Also included were Zuhrah's Potentate Verl Raap and his Lady Jeanna, and 2020 Director General Mike Rouillard and his Lady Sharon. Also included was the Hotel planner for our event. We were informed of Hotel's policies due to the pandemic.

We are limited to one person per six foot table at our meetings, so this means we are limited to a first come first served so preregister. I implore you to get your registrations in as to not miss this event. I am trying to keep up with all the Covid-19 changing rules for the state of Minnesota, Grand Master of Minnesota, Zuhrah Shrine and The Imperial Shrine. These rules have not changed much in the last two months but if they do we will adjust accordingly. WE WILL HAVE A SEMINAR WITH ALL COVID-19 RULES IN AFFECT. Our list of speakers in moving forward and will bring you a variety of topics and information we all need to hear. My Lady Bonnie's Lady's program for Friday is a go and if things must be changed due to rules we always have The Mall of America as a backup plan.

Your SFA Officers have tried to think ahead of any issues that could occur to hamper our event and looked to adjust and keep moving forward. Our plans are to bring a seminar that is talked about for years to come. 2020 is going down as a year of great changes in how we as SHRINERS conduct ourselves and how we do business. Please do not miss out on this Event. Our SFA goal for 2020 is to assist all our groups in fundraising.....If or when rules change SFA will inform all as where we are at. Any questions please feel free to call me at 218-205-9655. Hope to see you soon in Bloomington and remember Friday night's Minnesota's Walleye Fish Fry.

Messages from the Board

Greetings from Indiana

At the time of our last article I was wishing everyone well and hoping that our daily lives would be back to normal the next time we met. I am afraid that thought was a little too optimistic. Many of us have had to cancel this year's circus along with several other scheduled events and fundraisers. I was looking forward to traveling to the association meetings and Imperial but unfortunately those were the also victims of the pandemic.

We had seen some easing of the restrictions that had been mandated by our government but even that seems to be eroding as we see reported increases of Covid cases. As we work through this, I am not suggesting we throw caution to the wind, but it is imperative that we continue to meet and be social. We need to make sure our interactions are not limited to social media, emails and text messages. Some of our traditional fundraisers may not work when social distancing is required but there are still opportunities available. I do not feel like we need to reinvent fundraising, but we need to tailor them to follow social distancing or other guidelines that have been mandated. We also need to make our customers feel comfortable that we are not putting them at risk.

At Mizpah we have made some adjustments but several of our fundraisers and events are staying on track unless we get edict from our local government or Imperial. The Bourbon tasting that I spoke of in our last newsletter was postponed. We have reduced the number of attendees; tables will seat a max of 6 and have a greater distance between them. All servers will wear mask or face shields. The Sportsman's Raffle scheduled for September is still on track. If things get worse and we are not able to have a large gathering the day of the event the drawings will still take place and be available on the internet. The Grill Masters are planning a drive through, selling Barbecue ribs and smoked chicken dinners. This is something that many Shrines are doing with great success.

I am looking forward to seeing everyone in October and hearing how you have adapted during these challenges.

Yours in the Faith,
Phil Wade
1st Vice President

Greetings from Fargo

With all due apologies to Emerson, Lake & Palmer,
Welcome back my friends, to the lock down that never ends
We're so glad you could attend
Stay inside! Stay inside!

Fundraising is a challenge at the best of times, but with social distancing, restrictions on group sizes, face mask requirements and so on, the bar becomes almost unbearably high. But yet there are those who are finding ways to rise to the challenge and succeed. One such group is the Misfits from El Zagal. A relatively new group, they are dedicated to doing BBQ. During the worst of the lock down, they were providing low cost meals once a week to those who were unable to get out and also had pick up available. Pork spare ribs, to chicken to pork roasts, these guys stepped up and make it happen.

All of which just goes to show that even a pandemic can't keep motivated Shiners down!

Yours in the Faith,
Scotty Uhrich
2nd Vice President

Hindsight and not the Hind Quarter

Everyone likes a good barbecue with a picnic during the summer. However, this year a lot of member activities as well as family picnics that include barbecue's have been postponed or flat out cancelled. Family reunions often have elderly members and due to the COVID-19 virus they have not been able to attend. Our Shrine membership is made up of many age groups. The bulk of our members are greater than the age of 60. Within our ranks are butchers. You know, the guys who cut up meat from cows, pigs, etc. for barbecue. Do you think that they had the "hindsight" to know that the prices for meat would go up during this pandemic? Once Smithfield Foods and Tyson Foods (formerly IBP) announced an increase in COVID-19 cases in their plants the demand increased for pre-packaged food and the supply was short. Everything went up in price.

In my area, the local butcher as well as the farmer who raised the animals were in high demand. Families by-passed the grocery stores and went directly to the source for both meat and services provided by the butcher and the farmer. As a direct result of this shift in consumer purchasing they were able to decrease their cost on a per person basis within their family. Likewise, the consumer had depleted the inventory of various freezer models at appliance stores. It was cheaper to buy a freezer and the processed meat from the butcher than to buy meat at the grocery store. I remember my grandparents planned their meat purchases for up to three or six months. Often the purchase was made with other family members in order to share the expense and meat.

Our Scottish Rite in Southern Illinois (SR 192) based in Belleville, Illinois, held a barbecue on Saturday, July 25th. They had hamburgers, hot dogs, pork steaks with sides. The members served the public for carry-out and dine-in. Nothing “fancy” but they adapted to government guidelines. Our Governor approved a “phased in” approach after July 1st, whereby 50 people could be together. Prior to that date no more than 10 people could be together in one place. I bring this up because the barbecue was to have been held last April. The membership wanted to do something different. They made money but, nowhere near the amount during Lent when fish is served on Friday nights.

The members adapted to the circumstances which were dictated to them by the Government. They had a plan with a vision for the year with their fundraising goals. However, if only they had a crystal ball or a magic “eight” ball to guide them to provide answers about the pandemic. Hindsight is often the product of “after the fact”. Had we only known we could have done better. In all of the Masonic bodies and our families we have to adapt to our circumstances. No matter if it is dictated to us or by our own financial means. We need to think ahead and by remembering our experiences our intuition will serve us well in our fundraising efforts.

Did your temple hold their circus prior to March? Has it been postponed to the fall of 2020? Or, was it cancelled? Have any of your clubs and units held any fundraisers? Or, were these cancelled or postponed? Did any of the club or units try something new, different or modify a current fundraiser since March? We would like to know. Tell us about your fundraisers during the pandemic. Until next time, be safe and we look forward hearing from you.

Have you seen this Past President?

James Dodrill - Kerak Shrine, Reno, NV

If you know the whereabouts of our past president, please contact one of the board members to confirm if they have past away or demitted from the Shrine or Masonry altogether.

Looking back on the upheaval caused by the Covid-19 crisis, can you offer any advice or suggestions on how to go about cancelling a fundraiser?

- Pondering in Pont Du Lac

Setting aside Covid-19 for the moment, one thing I have noticed is that fundraisers are often comparable to farming, in that both are quite susceptible to the whims of weather. So, it isn't just a rare event like Covid-19 that we should be conscious of, but natural events like spring floods, storms and other natural phenomena can wreak havoc on fundraising events. Farmers use a tool called risk assessment in their planning and it is a pretty handy one to have in your tool belt as a fundraiser. Risk assessment is really no more than analysing your risk factors and incorporating them into your planning.

By using risk assessment, you can use the awareness that it brings to help structure your event in such a manner that you are better prepared in case you have to cancel your event. For example, try to schedule delivery of event supplies like novelties, concessions products and other items as close to the event date as practical. This allows you the ability to cancel your order closer to the event if needed. You should also have part of your event leadership tasked with looking over and understanding the cancellation clauses in every contract that is signed. Essentially, you should be looking over every aspect of your event and assessing how they should be best managed in case of a cancellation. Then, you should establish a go/no go date based upon those factors. Establishing that date in advance gives you the luxury of already knowing when you have to make that decision, in the event you have to consider cancellation. Of course, I've been focusing more on large events here, that have the longer planning period to make this work, but it doesn't hurt to try to incorporate this into smaller events as well.

One last thing, risk assessment should also inspire you to set up a fund to cover expenses in the event that have to cancel your fundraiser at some future date. You could contribute amounts over a few years to grow to the target number that gives you the protection you need. Try to avoid the temptation to grow the account by investing it in higher risk investments, this should be managed conservatively and be able to be quickly withdrawn when needed. While a fund should be set up by the fundraising group to cover their expenses, Divans should also consider setting up a separate fund to cover lost income that the administration relies on from that fundraiser.

There are a lot of specific things to various fundraisers I could not cover here, but if you start using risk assessment, you will quickly learn how to best position your fundraiser in case of a cancellation.

Greetings Nobles

This has been quite a year for everyone. Temples are struggling with loss income. Our Associate Members are dealing with huge losses as well. The Circus Producers are doing their best to keep families fed and working while trying to keep afloat and pray that the future is brighter. This year in particular has been difficult for many of our members as they are searching for new ideas for fundraising and not being able to execute any of them. Through education and the assistance and knowledge of others you can be ahead of the problem and not behind. The Annual Meeting and Seminar will be held in Bloomington, Minnesota under the leadership of our President Kirby Norman and his Director General Mike Rouillard, Zuhrah Temple. Please send your dues in as soon as possible. Also, if you plan on attending the Seminar this year please visit our website and go to the SFA Seminar page for information on registration and online payments.

Nominations for Third Vice President

“35th. Annual Meeting Friday October 2nd, 2020, Bloomington, Minnesota”

Our Association has been fortunate, in our 35 year history, of attracting dedicated and future focused leaders. At the present time we do not have a potential candidate for 3rd Vice President, and we welcome member Temples to consider their voting delegate as a candidate for this important and prestigious leadership role. We are open to renewal of our leadership and any Member Temple can propose a candidate to the office of Third Vice President, or Secretary/Treasurer. The candidate must have the written support of the elected Divan of their Temple and be the current or previous recorded Voting Delegate for that Temple. Candidates can be proposed as late as the annual meeting, as long as they qualify as stated above. The 35th Annual Meeting will take place in a designated room at the host hotel at 3:30 PM on Friday, October 2nd. Registration will take place at 3:00 PM. To be reviewed at the meeting: Minutes of 2019 Annual Meeting, 2019 Financial Report, Committee Reports and other business as required. At this time we do not have a motions to deal with but will entertain motions as required.

Greetings from Thompkins,

You and your community are in our thoughts as we all navigate through these unsettling times in dealing with COVID-19 issues. Many carriers have implemented new procedures to address these issues. It is important that each Shrine contact their carrier via their agent to find out what additional services may be available.

We strongly recommend that if a Shrine has an incident and they are uncertain of their coverage, they should file a claim with their carrier immediately. This is critical, as various State's Department of Insurance have set their own compliance requirements. Each carrier can review the specific circumstances of the claim to determine what coverage under their policy may apply.

Keep safe and stay well,

“35th Annual”

Hosted by Zuhrah Shirne
Minnetonka, Minnesota

Bonnie and I would like to take this time to welcome you and hope you will join us for the 35th Annual Seminar here in Bloomington Minnesota. The host hotel is Embassy Suites Bloomington, 2800 American Blvd. All meetings and all meals will be there except the Friday night Minnesota Shore Lunch walleye fish fry at Zuhrah Shrine Center. Birak's Master Chef Gene Kelm and his hand picked Birak members will do this right. Earlier in the day my Lady Bonnie will keep our Ladies busy with a full Lady's Program and when completed will join us for the fish fry. This year the seminar will be jammed packed with some new speakers, repeat speakers from very successful fundraisers and also some info on how we need to follow all Imperial, state and local laws. All of this is meant to assure each of you that we plan on giving you all the bang for your buck we can. We know we are all busy and I want to make this a very good learning seminar. I want you to head home after this with multiple ideas you can implement immediately to your Shrine Center to help with all the lost revenue caused by this pandemic. Please get all your paperwork to our secretary Jim Van De Hey, so everything can be set for your arrival. If there is anything you desire to do in Minneapolis please call and let us know and we will try to make sure your wishes happen. We are looking forward to seeing everyone in Bloomington on October 1-3.

Proud to be a SFA member and your President in 2020.

Yours in the faith,

Kirby W. Norman

P.S. Any questions please call me at 218-205-9655. Also, next door to the hotel is Cowboy Jack's Saloon and Restaurant and as we did last year plan on supper Saturday night after a tour of the Twin Cities brand new Shriners Healthcare Center for Children for all that care to join us. Be safe, stay strong, and stay involved with everything we can do now in preparation for doing more in the future.

The Car Show must Go On

Local Car Show is a Success Despite Corona Virus

Normally there is a car show every weekend in North East Indiana during the warm weather months. With the virus and the fear that is being propagated by the media! Nearly all the annual car shows, and summer festivals have been cancelled for 2020.

As the date of the Annual Mizpah Car Club was approaching. We worked diligently to communicate with our county government and the Fort Wayne Parks department to ensure we were still able to put on this year's show. We reached out to those car clubs and area festivals that had made the decision to cancel their show. What we found was many of them were not cancelled due to the virus but because they lost access to the building of the sponsoring business or convention center. Without it they no longer had access to rest-rooms, food and beverages like prior years. Other shows were part of a large festival that already had food and bathroom facilities, as the festivals were cancelled the car shows were faced with added expenses that they had not planned on.

There are many facets to planning a successful car show or any event for that matter, but not having food, water and rest-room facilities will be remembered for years to come.

Mizpah's car show is held in Lawton Park located near the center of Fort Wayne. The park is just under 40 acres with about half of that shaded by larger trees. The park has a pavilion that is used for registration and rest-rooms nearby. We rent a few port-a-johns to cover the increased need. We invite a couple of food trucks as well as having the Mizpah Grill Masters to provide food and beverages.

We also have a DJ providing music and announcements during the event. The show is open to all cars, so we have cars from the early 1900's to late models. Hot rods, 50's era and muscle cars make up the bulk with a few exotics and tuners. To make the process simple we only have two classes of cars. Class 1 for cars built in 1999 and older, Class 2 for those 2000 and newer. Awards are given to Best of Show, Potentates Choice and the top 50 cars. 35 awards to cars 1999 and older and 15 to the later models. All judging is done by Car Club members.

Members will have their cars at the show but are never judge nor receive any awards. In addition to the awards we also give two cash prizes to the car clubs with the most participants. Since we have been doing this every club has donated the money back to the Car Club or Shriners Hospital!

During the last 6 years of holding the show at this location the Car Club has netted a little over \$40,000. Every year we have been in the black prior to the show date. We do this by having cash sponsorship that raises \$5,000 -6,500. A silent auction and 50/50 generate \$1,500 -2,000 and attendance another \$1,500 – 3,600. Our net this year was \$8,000. The past 4 years we have purchased an enclosed trailer, generator, tables and tents that are used during the event.

What I like about a car show is you have participants from all walks of life with a common interest. Everyone is willing to talk about their car so its easy to start a conversation. It does not matter if it is a Rat Rod worth a few thousand our an original GT40 worth over \$1,000,000,000.

That is right I said a real GT40! We had one at this year's show. For this car, the million-dollar estimate is way under its actual value if it were for sale or going to auction. If you have not seen the movie "Ford Vs. Ferraris" you need to put it on you list. This is the car I am talking about. The one that humiliated Enzo Ferrari in 1966 placing 1st , 2nd and 3rd in the 24 Hours of Le Man's and continued to win through 1969. What makes this one so significant is it is one of 2 built with an aluminum body. Think of a beer can, the panels on this are just a little thicker, about .030". The aluminum bodied cars used the smaller 289 engines producing a little over 400 HP and was some 400 pounds lighter than cars with fiberglass bodies and the larger 427 engines. While this car did run in the 1966 race. Ford chose to use the heavier cars and larger engine for the factory cars.

Throughout the event we had car owners telling us how much they enjoy our show and thanking us for not cancelling it like many others had done.

Why Every Shrine Center Should Join SFA

\$150 to Join Today

Your membership is important to help continue the promotion of fundraising in our Fraternity. Does your Shrine need a new fundraiser? We will help you and your committee be more professional in your approach. If your need is to raise funds, you are not alone in this battle.

- Whether you host a:
- Sportsman Raffle
 - Haunted House
 - Shrine Circus
 - Rodeo
 - Car and/or Motorcycle Show
 - Calendar Program
 - Or Other Fundraiser

Regardless of which approach your Shrine Center uses to raise funds, there are already many ways that your fellow Shrines have used for years. We bring you those ideas through our yearly seminars and from our members, along with the contacts to help you get started.

Imperial is encouraging every Shrine Center to join the Shrine Fundraising Association and use the benefits that we offer to help your Shrine Center continue to grow and prosper financially to sustain you for the coming years. We want to be there for you. Let your Divan know that SFA is now part of the AR/OG Seminar's and we will be there to help.

Membership includes: Online access to previous Seminar videos - Every Noble/Club/Unit has access to all online content - Ability to participate online during the Seminar - Any number of Nobles can attend Seminar in person or online
